CAUTION - EXTERNAL:

Dear Mr. Sywilok, Ms. Richardson, Ms. Moore and the Honorable Judge Gambardella:

Objections (differences) must be served on, and requests for additional information directed to: Mr. Sywilok, Chapter 7 Trustee.

If an objection is filed, it must be written and filed seven (7) days before the hearing date (December 20, 2022.)

To be clear, I am not objecting to the proposed abandonment of the property due to inconsequential value.

I file this objection regarding three points within the proposed notice: 1. Market Value, clearly established in this court at less than \$500,000, not \$700,000, 2. Christiana Trust as mortgage and lien holder, and 3. Amount calculated without incorporating prior service company business records and or Selene Finance business records.

I respectfully file this objection Pro Se as co-owner and on behalf of Tosca Kinchelow Schmidt.

I thank the court always for their consideration and help in filing this objection with attachments.
